Here are some new and recent additions to the Hill.

Contemporary Touch: MARQUIS STUDIO/LIFESTOREY@DEMPSEY

A new and grand addition to the Hill, boasting a 13,000 sqft showroom space filled with modern contemporary furniture and furnishing accessories, is Marquis Studio/Lifestorey@Dempsey.

Nestled amidst lush greenery, this new showroom marries two distinct styles – the classy and contemporary Marquis Studio and the more funky, modern designs of Lifestorey. With tons of natural light flooding in through the floor-to-ceiling windows and a relaxing jazz soundtrack to welcome you into the luxe-modern space, it is clear that this is the perfect space to browse and be inspired.

A quick turn to the right will lead you to Marquis Studio's sophisticated range of home furnishings that are perfect for a more matured audience looking to breathe elegance into their home. Choose from notable brands from all over Europe such as Gallotti & Radice, Prianera, Gealux, Discasia and many more. Sleek, gold and gilded crystal accessories also add the final touches to the lavish, contemporary look.

And in the other half of the showroom, Lifestorey offers a distinctly different look and feel altogether. With everything from dinnerware to lightings to sofas, this concept store is the hub for all things fuss-free and snazzy to give your home that distinct designer look. Alongside their own in-house creations, you'll find pieces from notable brands such as Skartell, Bontempi Casa, Softline and House Doctor.
